Large / Small Room	The Large Room is an open, lecture-style conference space with a capacity of 100-100 seated participants. The Small Room is a closed space which caters for interactive workshops or closed meetings of up to 40 participants seated in groups with tables.
LGMA briefings / Bilateral sessions	LGMA briefings will advise the LGMA constituency every morning on daily progress of the UNFCCC negotiations and the involvement of the constituency. Bilateral sessions in the small room will facilitate dialogue between Parties/rational delegators and local government delegations on progress in negotiations as well as on supporting local climate ambition and TAP.
TAP Time	Regional TAP Time sessions will bring together endorsing local government networks and partners including ODA, multilateral development agencies such as AFD, and public financial institutions, such as World Bank, GEF, ADB, Inter-American Development Bank. TAP Time is run with endorsement of the UN Special Envoy for Cities and Climate Change and is co-organized in particularly close relation with the partners of the Cities Local Climate Finance Leadership Alliance.
TAP Workshops	TAP Workshops offer TAP partners and applicants opportunities to meet for small group discussions in the small room to discuss capacity building, opportunities and next steps.
TAP Talks	TAP Talks invite world class minds and mayors to discuss transformational solutions for urban sustainability for 30 minutes. TAP Talks will act as a bridge between the negotiators and real world solutions.
